

Harry W. Stark Memorial Scholarship

This scholarship has been established to honor Harry W. Stark. Harry had a great love for the city of Marysville which he called the "Dream City". He attended the Marysville Schools, graduated from Marysville High School in 1950 and attended Port Huron Junior College. Harry was a talented athlete throughout his life and especially loved playing basketball, baseball and golf. He also had a great love for his country and he joined the US Navy in 1954 and served proudly on the USS Coral Sea.

Harry was a firm believer in giving back to the community. He was a volunteer fireman for the city of Marysville and a volunteer at Port Huron Hospital for many years. He was very involved in city politics serving as 6 years on the council and 8 years as the Mayor and always strove to lead with integrity. He carried on the Masonic tradition of his father and grandfather as a member of Marysville Lodge #498. He was a member of Order of the Demolay, Royal Arch Masonry, Scottish Rite, Knight of Templar, Moslem Shrine, and Royal Order of the Jesters.

Harry truly believed in giving to others in all areas of his daily life. His countless acts of kindness were most often done quietly without others knowing. He will forever be remembered for his **humor, dedication, hard-work, volunteerism, and never-ending generosity.**

We encourage applications from all students who feel they represent these qualities regardless of grade point average.

Please do the following:

- Complete the attached application
- On a separate piece of paper please submit an essay telling *how* you have given back to your family, your friends and your community and *why* you think it's important to serve others, not only in your community, but also in your daily interactions.
- Please enclose a letter of recommendation

Submit all materials to the Counseling Office by April 29, 2019.
